

TORCH LAKE HISTORY TOUR

These are pictures from the "Olden Days".

You can use them to help answer the questions.

#1 This is the Alden Depot.
When was it built?

#2 This is the bridge that used to go over
Torch River. How does it look different today?

#3 This is the swing bridge that was over Clam
River. What can you see in the water that's left
of the old bridge?

#4 This is the Boathouse at Camp Hayo-Went-Ha.
When did it open as a boys' camp?

#5 Alden used to be called Spencer Creek.
This is a picture of the mill at Spencer Creek.
Where does the creek empty into Torch Lake?

#6 This is the first Alden Post Office
What can you buy there today?

#7 The Dockside Restaurant used to be a Store.
What 2 lakes join together here?

#8 This old school house fell through the ice
when it was moved across the lake to Brownwood
Acres. When did that happen?

#9 Who is this Park named after?
It's located in Torch Lake Village.

#10 This building used to be the Post Office
of the village at the north end of Torch Lake.
What is the name of that village?

Answers available in the
TRUE BLUE Gallery located in Alden
